

A person is seen from behind, sitting in a black armchair with a white backrest. They are positioned in a modern office space with large, multi-paned windows that offer a view of a city skyline. To the left of the person is a large potted plant with long, green fronds. The room is brightly lit, and the overall atmosphere is professional and contemporary.

Security Policy

Please note that this Security Policy and Statement will be subject to regular review and updated as required.

Access2Markets (Pty) Limited (A2M) acknowledges and takes seriously its obligations under the applicable laws and regulations of South Africa pertaining to information and security.

1. Data Protection

We take the security of your personal data seriously. All information entered on our site is encrypted using industry-standard SSL (Secure Socket Layer) encryption.

2. Secure Payment Processing

Payments are processed via secure and PCI DSS-compliant payment gateways. We do not store any credit card information on our servers.

3. Account Protection

Customers are responsible for maintaining the confidentiality of their login information. We recommend using strong, unique passwords and never sharing login credentials.

4. Website Security

Our website is regularly monitored and protected with the latest security technologies, including firewalls and anti-malware systems.

5. Privacy & Confidentiality

We never sell or share your personal information with third parties, except as required for order processing or by law. For more, see our Privacy Policy.

6. Contact

If you notice any suspicious activity or have questions about our security measures, please contact us at privacy@access2markets.co.za.

In the course of our business, personal information such as names, addresses, may be collected and held, for use in fulfilling the primary purposes intended. Information retained on our database is also used to inform stakeholders and customers of relevant developments in procedures or products which we believe is either necessary or will assist in the use of the product or service we offer. Unless we are informed otherwise, we will continue to use the information collected in this manner. Accuracy of information is important to us and changes or corrections to information held will be welcomed at any time.
